EDUCATION

CMR Technical Campus **Hyderabad,Telangana**

Bachelor of Technology in Computer Science and Engineering, specialization in AIML *09/2024 – 04/2028*

- CGPA: 8.61/10 (4th Semester)

Narayana Junior College **Hyderabad,Telangana**

Intermediate (MPC) *06/2022 – 01/2024*

- Final Grade: 88.9%

Newgen High School **Hyderabad,Telangana**

2022

- Final Grade: 9.8/10

WORK EXPERIENCE

InternPe Hyderabad,Telangana

AI/ML Intern *05/2026-06/2026*

- Completed an AI/ML internship, applying machine learning concepts to real-world projects.
- Built and experimented with predictive models using Python and data analysis libraries.
- Performed data cleaning, preprocessing, and model evaluation.
- Enhanced skills in machine learning, data analysis, and problem-solving.

TECHNICAL PROJECTS

AI Eco Coach

- An AI-powered sustainability platform (web & mobile) that helps users build eco-friendly habits through a personalized dashboard, smart AI guidance, waste image recognition, learning resources, and a map for nearby green locations—making sustainable living simple and actionable.

Amazon Homepage Clone | HTML, CSS

- Developed a responsive Amazon homepage clone using HTML and CSS, implementing a navigation bar, search interface, hero section, product categories, and footer while enhancing skills in web design, Flexbox, and responsive layouts.

IPL Win Probability Predictor

- Built and deployed an end-to-end machine learning web application that predicts IPL match win probabilities in real time using live match data, leveraging Scikit-learn, Pandas, NumPy, and Streamlit for model development, data processing, and interactive deployment

SweetCrumbs Bakery | HTML, CSS, JavaScript, Git, GitHub Pages

- Developed and deployed a responsive bakery website using **HTML, CSS, and JavaScript**, featuring product listings, testimonials, contact/order forms, and **WhatsApp ordering**. Used Git/GitHub for version control and **GitHub Pages** for deployment.

Nova Web Studio

- Developed and deployed a responsive web studio portfolio showcasing website design services, featured projects, and business contact options. Designed a modern, user-friendly interface with responsive layouts and interactive elements, and deployed the project using GitHub Pages.

ACHIEVEMENTS AND CERTIFICATIONS

- Achieved 3rd position in “TECHSPRINT 2025-26” hackathon hosted by Malla Reddy Engineering College and Management Sciences in collaboration with the Google Developer Group(GDG)

- Earned certifications through active participation in hackathons, workshops, and AI-focused courses, gaining hands-on experience in problem-solving, AI model deployment, cloud technologies, Machine Learning, Deep Learning, and robotics.

SKILLS & INTERESTS

Languages: Telugu (native), English ,Hindi

IT: Java , HTML , Python , C , GitHub, CSS , VS Code ,MySQL

Interests: Coding, Dance , Music, Traveling , Editing

CAREER OBJECTIVE

- To work in a highly competitive environment with a perfect challenge by contributing the best for the growth of the organization while ensuring growth in my personal career. I wish to work with a diverse team that works towards contributing to the company’s vision and goals.
